

### Earth Day Sale at the ReStore

The Habitat Winnipeg ReStore is celebrating Earth Day Canada's 20th anniversary with its 3rd annual Earth Day Sale on Thursday, April 22. The Restore will be offering 20% off everything in the store, so the deals keep getting better! There will be a community fundraising barbeque taking place in the parking lot where 102.3 CLEAR FM will be broadcasting live with plenty of prizes to go along with your burger or hotdog! To further entice some customers, there will be a brand new shipment of windows along with granite tiles being sold for a \$1 each and a tile cutter on site. Come down to the Restore at 60 Archibald from 8 am-8pm and join the community spirit by celebrating Earth Day with us!
