Ride Around the Lake celebrated its fourth annual fundraising ride last month. During four days in September, 21 cycling enthusiasts of all skill levels came together to ride through beautiful scenic routes in Lake of the Woods and raised a record \$125,000 for Habitat for Humanity Winnipeg. To participate in the ride each rider committed to raising a minimum of \$5,000 in cash pledges and paid their own accommodation and meal expenses. All monies raised go to support Habitat for Humanity Winnipeg's build program. It was another outstanding success and HFHW says thank you to all our returning and new riders, plus the crew, donors and event sponsors!
