

**House Party & Auction: Keeping Temperatures High With  
'One Hot Night'**

If you would like to attend Winnipeg's best gala dinner and dance event mark your calendar for Saturday, November 8, 2008 and plan to attend Habitat for Humanity Winnipeg's 6th Annual House Party and Auction.

This year's event is themed 'One Hot Night' and will take you back to Havana, Cuba circa 1948. You'll experience the exciting music, dance, and food of the Tropicana Night Club while bidding on amazing live and silent auction prizes.

We are busy finalizing details and there are a variety of ways you can become involved with this premier event. Opportunities for sponsorship at various levels will be available in the next few weeks, along with the option to purchase corporate tables or individual tickets.

All proceeds from this event will assist Habitat for Humanity Winnipeg in reaching its 2009 goal of building 16 new homes for low-income working families.

Please call or email Elaine Smith (204) 235-2181 or [esmith@habitat.mb.ca](mailto:esmith@habitat.mb.ca) for more information on this exciting event.
