

Leaving a Legacy with Habitat for Humanity Winnipeg

Planned giving is a great way for individuals to remember and help their favourite charities while still protecting their family's financial future. There are many ways to leave a legacy through gifts of cash, property, securities, and more. These donations are legacy gifts, in that they will live on forever.

Future Habitat homeowners will benefit from the generosity of planned gift donors who leave a portion or all of their estate to Habitat for Humanity Winnipeg. Your gift will help us build more safe, decent, and affordable housing for low-income working families in our community.

The benefits of planned giving are immediate and far-reaching! Did you know that only 30% of Canadians have a will? Make it your goal to prepare a will soon, and don't forget to leave a legacy.

Please contact Kim Wilson at kwilson@habitat.mb.ca or (204) 233-5160, Ext. 215 for more information on you can leave a legacy for future Habitat families.
