Information Update Regarding Triple Homicide on Alexander Avenue

This media alert was issued in response to media reports made on Sunday, March 30, 2008 that the triple homicide at 1398 Alexander Avenue **may** have taken place in a Habitat for Humanity Winnipeg built home and the residents placed there by our program.

We have reviewed our records and can confirm that this home **is not** a Habitat for Humanity Winnipeg built home and the residents have **no affiliation with our organization**.

On behalf of Habitat for Humanity Winnipeg our condolences go out to the families who lost loved ones during this crime. Our thoughts are with the survivors, first responder professionals, and hospital staff who continue to deal with this matter.
