

**\*\*\*\*\* Media Alert \*\*\*\*\***

***Great photo and interview opportunities***

**WHAT:** Habitat for Humanity Winnipeg (HFHW), raises the roof of the 2,000<sup>th</sup> home built in Canada. The milestone two-storey side by side unit sitting beside the 200<sup>th</sup> home built by Habitat Winnipeg will have its roof craned into perfect position where it will be secured by construction crews.

**WHO:**

- Sandy Hopkins, Habitat for Humanity Winnipeg, CEO
- The future homeowners
- Vern Koop, Director, Construction
- Build volunteers

**WHEN: Wednesday, July 6, 2011 at 10:00 a.m.**

Please arrive promptly as crane operator delays are costly to Habitat.

**WHERE:** 873 Nairn Avenue at the Habitat build site located by Sir Sam Steele School across from Dufresne Furniture. Access at Chester Street to immediate back lane between McCalman Avenue and Nairn Avenue.

***Note: Media wishing to access onto build site from the back lane must wear CSA approved gear (Hard hat and boots). A selection of approved gear is available on site in the Habitat construction trailer.***
